Pearson has developed a method for site licenses to be managed. The site licenses can be managed at any computer location within a site as long as each site does not over extend their licenses allocations. Each school site should review ways to maximize the usage of their **SuccessMaker Licenses** allowing additional time to be deployed to at risk learners such as ELL or Title I students. The following is the number of licenses assigned to each school.

Number of Licenses Assigned Update 8-22-06

Site	Site Code	Number of Licenses
Enid Central	040	00
Adams	105	34
Coolidge	120	49
