SuccessMaker Scheduling Building In-service Schedule

Ten total days of training for the district have been made available. Building principals will need to schedule a one day in-service at their sites during the fall semester of 2006. The one day site in-service will be conducted by a Pearson Professional trainer in the computer lab. A site-based faculty in-service will occur at the end of the school day. Building principals may contact Lori McDaniel at lori.mcdaniel@pearson.com for any additional information regarding preparations for site-based in-service.
